

**ONBOARDING
BROCHURE VUB –
GENERAL VUB**

1 WELCOME! (START OF PART 1 OF THE BROCHURE)

Dear colleague, welcome to the Vrije Universiteit Brussel! The aim of this onboarding brochure is to provide you with useful information about VUB and your status.

The brochure should be read as follows.

- **Part 1** contains general information. It tells you about VUB's values, standards and structure, gives you links to the systems and covers general practical guidelines.
- **Part 2** looks at your status in more detail. In this part, you only need to read the information that's relevant for your status. You can skip the rest. Don't know what your status is? Scroll to page 13, which explains how you can find out.

To access all the links and VUB applications in this brochure, your NetID and email address must be activated. You received an email asking you to activate your NetID and email address using a one-time password that you can then change (instructions in the email). If you didn't receive this email or are having problems creating a login, please let us know via helpdesk@vub.be and we'll be happy to help.

We wish you good luck and look forward to working together!

2 #WEAREVUB

What does VUB stand for?

VUB considers its staff to be free, equal and connected, which means it is a humanistic university. These are the three most important values of the university and they contribute to an environment where individuals can develop freely, where equal opportunities are offered and community spirit is encouraged.

Add to this our principle of free research – in which self-reflection, a critical attitude and an open, creative mind on scientific and social issues are key – and you have a university that is fundamentally ground-breaking and pioneering in education and research. In short: essentially VUB.

How do you recognise VUB staff?

VUB staff are:

- **Committed**: it's up to each of us to make the world a better place.
- **Respectful and empathic**: there are as many opinions as there are people, and all are worth listening to.
- **Critical**: we maintain a critical eye at all times.

What is VUB's vision?

Into the world of the future

No one can say exactly what the world will look like tomorrow. But what is certain is that it will be more **digital, diverse and – hopefully – sustainable**. In that context, how do you ensure you're not overtaken by events? As far as VUB is concerned, we do that by resolutely choosing a **radically humanist, urban, diverse and collegian course**.

How can we increase general **well-being**? How can we contribute to a **better society** in an increasingly urban and diverse context? How can we involve **more people** in decisions? With these questions to guide us, we set the course for our future. The bottom line is that we want to be a warm, open, learning, connected organisation. That's a vision we also have for society as a whole.

Towards an open and multicultural super-university

The VUB is a proud founding member of EUTOPIA, an alliance of 10 like-minded European universities. Together, the aim is to create an open and multicultural European university by 2025, bringing together communities from across Europe to tackle the challenges of our time.

4. Digital tools and communication at VUB

External VUB communication happens via the [VUB website](#). Internal communication to staff is done via [WeAreVUB Staff](#). Don't forget to switch on notifications for the pages that interest you so you're always in the loop of relevant information. At [WeAreVUB Staff](#) you'll also find a link to all the general online tools. Below is an overview.

Research

Click on the name of the system to go there

How do you use these systems? Take a course!

Via the LRN tile in [TEO](#) (our HR system for staff information, leave, LRN, etc.), you can learn more about the systems by following a course. Type the name of the system in the search bar and find out which training programmes are available in [the catalogue](#).

5. Your well-being and safety is important

Your well-being and safety are important. VUB has various bodies for:

- making an appointment with (self-employed) medical professionals on-campus (dentist, GP, etc.).
- courses, such as lectures on well-being subjects or workshops for teams;
- prevention, (bio)safety, environment and sustainable development;
- information and support in the event of illness and resumption of work;
- ergonomics;
- psychosocial support and more.

VUB is there for you. On [this webpage](#) you can find **information regarding well-being** at VUB. In need of a chat? **Here** you can find the contact details of the necessary organisations.

The trade unions at VUB represent staff in labour and salary negotiations. They defend the interests of all staff

- [Click here](#) for the SharePoint on the trade unions and find out [here](#) who has been elected.

On [this sharepoint](#) you will also find information about the various social consultation bodies, including the reports of the committee for prevention and protection at work (CPBW).

Prevention & Environment Service

This service is responsible for prevention, safety, well-being, environment and sustainable development, mobility, biosafety and radiation protection.

Find out more [here](#) about their services.

6. Explore your campus

Campus map

Did you know VUB has eight campuses? The Main Campus in Etterbeek and the Health Campus in Jette are the biggest in terms of number of staff. In addition to these two, there are campuses in Gooik, Anderlecht, Diest and Leuven. [Here](#) you can explore all the campuses. Apart from campus maps, you'll also find information about the facilities and their accessibility by public transport and bicycle.

Be sure to check out [this page](#) to discover what our campus has to offer (cultural, food, culture, sports...)

Internet

The VUBnext WiFi network covers the whole campus. Log in with your NetID and password. For more information about internet at VUB [click here](#).

Reserving meeting rooms

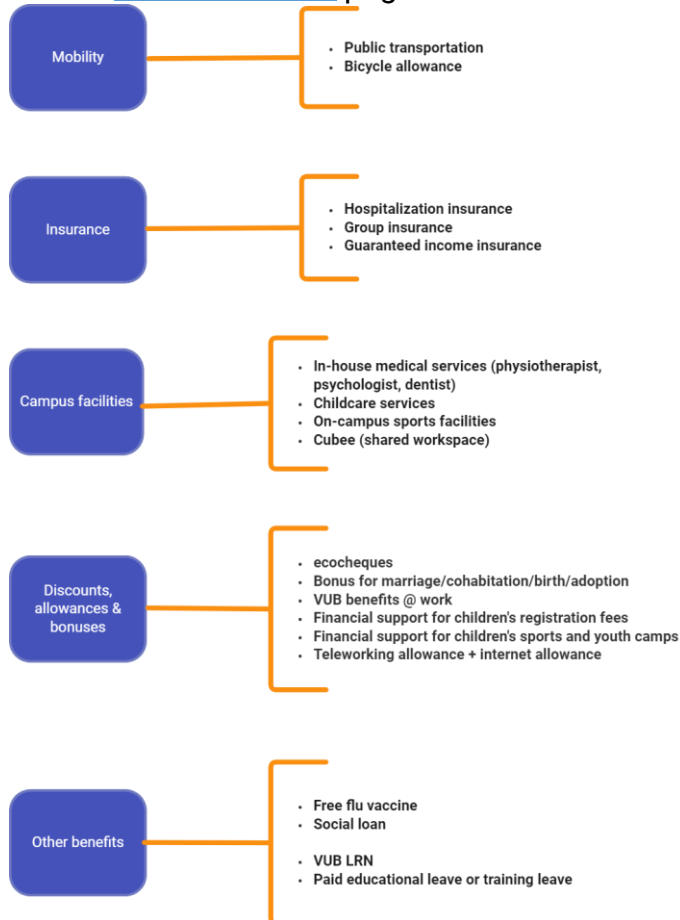

In order to book (class) rooms, auditoriums, meeting rooms, conference rooms, BBQ/campfire area at the VUB Main Campus Etterbeek and U-Square you need to make a reservation with the department of room management. [This knowledge article](#) explains how to do this. Take a look [here](#) for bookings on the VUB Health Campus.

Ask within your faculty/department how to book meeting rooms.

Benefits

VUB staff enjoy many benefits. Apart from fringe benefits, there are also benefits linked to health and a good work-life balance. In addition, VUB offers opportunities for growth and knowledge development within your career.

The table below shows all the benefits at VUB. Do you want **more information**? Take a look at [this SharePoint](#) page.

miro

Not every status has the same benefits. In part 2 of the brochure (from p. 14) you can see what benefits apply to your status.

More information on the mobility benefit (public transport and bicycle)

The university covers the full cost of public transport for staff commutes. In doing so, we subscribe to the federal, Flemish and Brussels-Capital governments' wider mobility plans.

Option 1: Do you work on campus more than three days a week? Request a season ticket in TEO. See the step-by-step guide [here](#).

Option 2: Do you travel to campus by train two to three days a week? Get a Flex season ticket. [Click here](#) for more detailed information.

Option 3: Do you occasionally travel to the campus by public transport? Request a reimbursement. The conditions and manual can be found in [this knowledge article](#).

Apart from the public transport reimbursement¹ you can also request a **bicycle allowance** if you cycle to work. The bicycle allowance is a kilometre allowance and is the highest amount exempted from tax. In offering this, VUB wants to support sustainable mobility and improve the health of its staff. The request is processed and paid annually. Click [here](#) to find out how to submit a request.

We also provide facilities for our employees to secure their bicycles in enclosed bike parks, refresh themselves after a cycling trip, and repair bicycles. We appreciate your preference for environmentally friendly transportation and strive to facilitate this in the workplace as efficiently as possible. You can request access to the bike facilities via <https://www.vub.be/nl/form/aanvraagformulier-toegang-fietse>.

Will you travel to VUB by car?

Register your licence plate [here](#). Log on with your VUB account (email address and password).

¹ As VUB works with a **third-party payment system**, staff members **CANNOT** buy a season ticket (NMBS-MIVB-De Lijn) themselves under any circumstances, nor can a season ticket be reimbursed.

7. WHAT ARE THE DIFFERENT STATUSES AT VUB? (PART 2 ONBOARDING BROCHURE)

This section of the onboarding brochure contains more information about your specific status, including the related benefits and positions.

Don't know what your status is? Follow these steps:

1. Go to TEO
2. Click 'my profile'
3. You can find your status next to your photograph under 'job code'

For more information about your status, go to the relevant pages in this brochure. **If you have multiple statutes**, the pages linked to those statutes apply to you for that part of your appointment.

F. Unremunerated staff and external staff

This section of the brochure contains useful information specifically for unremunerated staff and external staff. The important pages and information are all available on [the P&O SharePoint for unremunerated staff and external staff](#).

Unremunerated staff

The status of unremunerated staff is awarded to people who voluntarily carry out basic activities that demonstrably contribute to the teaching, research and community service of the administrative service, department and/or faculty.

- Unremunerated staff are NOT EMPLOYED by the university.

The status of unremunerated staff is obtained on the initiative of a professorial staff member or the head of the main unit of an administrative department.

To be registered as unremunerated staff, a person must have at least a master's degree or a diploma or certificate recognised as the equivalent in application of European directives or a bilateral agreement.

Unremunerated staff are not remunerated or compensated, but any expenses may be reimbursed with funds of the service, department and/or faculty.

External staff

The status of external staff is awarded to people who have a contract with another employer, but who use VUB infrastructure to carry out their work. Examples include staff members of FWO, VIB, UZ Brussel, etc.

- External staff are NOT EMPLOYED by the university.

The status of external staff is obtained on the initiative of a professorial staff member or the head of the main unit of an administrative department.

External staff are **not remunerated or compensated by the university, but by their employer**.
