## USEFUL TIPS FOR A SMOOTH START

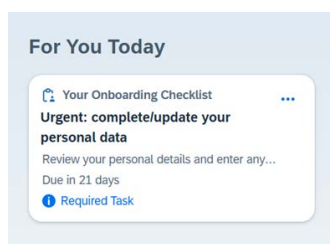

### 1. Adjust language settings

Want to change the language of the application? It's simple:

- Click on the tile in the top-right corner: on the tile  or on the tile with your initials  or on your picture.
- Go to **'Settings'** and select your preferred language under **'Change language'**.

### 2. Update your information

Navigate to the tile **'Urgent: Complete/update your personal data'** to fill in your details. After completing each section, click **'Continue'** to proceed.

Not all sections apply to everyone. **Please note the following:**

- **Work eligibility:** Do you hold a nationality from a country within the European Economic Area (EEA)? Then you don't need to fill in this section. If you have a nationality from a country outside the EEA and you already have a work permit or residence permit, you can add it in this section.
- **UZ Brussel Function:** Only complete this section if you work at the University Hospital Brussels (UZ Brussel).
- **Dependents (family relationships):**
  - » *Are you married or in a legally registered partnership?* Fill in your partner's details and indicate if you wish to include them in the hospitalization insurance.
  - » *Not married or in a registered partnership?* You don't need to fill in anything unless you want to add your partner to the hospitalization insurance. In that case, select 'Other' as the relationship type.

*Everyone with an employment contract or a scholarship agreement is automatically enrolled from the first working day. Children and/or partners can join at a reduced rate of €5.50 per child and €11 per adult (different rates apply for adults over 65 years old).*

### 3. Upload your ID document

Depending on your nationality, we require the following:

- **EEA nationality:** Upload either your national identity card or your passport photo page under 'ID Copy'.
- **Non-EEA nationality:** Upload a complete scan of your passport (including blank pages) as a PDF file under 'ID Copy'.

*Which countries are in the EEA?*

*The European Economic Area includes: Belgium, Bulgaria, Cyprus, Denmark, Germany, Estonia, Finland, France, Greece, Hungary, Ireland, Iceland, Italy, Croatia, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, the Netherlands, Norway, Austria, Poland, Portugal, Romania, Slovenia, Slovakia, Spain, the Czech Republic, and Sweden.*
